

**SPRING 2012
DEALER WORKBOOK**

DISCOVERY. IT'S WHAT LIFE ON THE WATER IS ALL ABOUT.

Starting with the first American sailors who often had no idea what they might encounter once they left the harbor, we have always considered the sea with a sense of adventure mixed with a healthy dose of respect. It's this feeling that cements the lifelong bond that sailors have with our chosen hobby — a feeling that every time we leave the mooring, we're going to discover something new — about our boat, about our world or about ourselves.

Here in Marblehead, we share this passion, and whatever you enjoy doing on and around the water, we promise to help you stay dry, comfortable and looking good while you do it.

MICROBURST |

We think you should be able to fit all of your waterproof gear in a really small bag, and our fully waterproof/breathable Microburst line is the most lightweight, compact sailing apparel you'll find on this planet. With today's technical fabrics and layering techniques, sailing jackets and pants don't need to be bulky to be good, so whether you're leaving the dock to fish, sail or just hang out on the water, go light, go dry and go fast. Go Microburst.

AWG VMG Fabric | Lightweight, packable, fully waterproof, windproof, breathable 4.5-oz., 2.5-layer ripstop nylon. Raised microprint pattern protects membrane. DWR finish (Durable Water Repellent), waterproof taped seams.

PERFORMANCE FLEECE |

Here in Marblehead, the water's cold enough so that even in the summer, you need a fleece top when you're on or around the water, and our collection of zip tops was designed to keep you warm and looking your best. The hard-faced recycled polyester knits deliver wind resistance combined with excellent moisture wicking and a soft next-to-skin feel. So whether you're wearing one of these pieces by itself or over a lightweight base layer, once you put it on, you won't want to take it off.

CREW

The sailing world is chock full of shorts and polos. They range from super-techy to cotton Bermudas, but very few do what Atlantis' Crew Collection is designed to do — deliver outstanding technical performance combined with classic good looks. Technical yarns and innovative construction techniques shed water, dry quickly and move the way you move while features such as a zippered pocket and a multi-tool sheath will make everyone happy from the tactician to the bowman.

NAVY BLUE

| BLUE WATER POLO | FD012 | XS-XXL

I2025055

- Same cut as your favorite cotton polo
- Cocona fabric offers natural technology with activated carbon made from coconut shells
- Outperforms other fabrics
- Provides effective evaporative cooling, odor adsorption and UV protection
- Lightweight, comfortable and retains all of the conventional product features, such as stretch and wash-ability. And, because of a patented technology, this shirt will retain or improve its performance over the life of the garment.
- Cocona technology is contained inside the fiber, so unlike topical treatments, it will never wash off or wear out!

STONE

| SHIPYARD SHORTS | GM111 | XS-XXL

I2038057

- Nylon 66[®] fabric is super-light and has a soft cotton-like feel — DWR coating provides water-resistance
- Six-pocket design includes zippered side pocket in addition to standard four
- Internal loop at top of pocket gives you a place to tie lanyards
- Tab & button take-ups on each side allow you to fine-tune the fit
- Straight-leg style with center-of-your-kneecap inseam length

STEEL

DECK TO DOCK |

The Deck-To-Dock Collection is designed to take you from a day on the water to an evening on the town. This collection of sailing-inspired clothing is designed for those who live their lives on and around the water and is made from only the highest-quality fabrics, chosen for their ability to deliver the ultimate combination of comfort and coastal style.

- Reverse-tape YKK center-front zipper
- Low-profile collar is great for layering — even under a spray top
- Draw cords at waist
- Rubber cuff closure tabs (with cool A-Sail branding molded in)
- Contrast stitching at collar and rear sleeve
- Bonded microfleece lining makes it feel soft and toasty next to skin
- Two-pocket design
- Embroidered Atlantis logo and logomark

PERFORMANCE FLEECE |

Here in Marblehead, the water's cold enough so that even in the summer, you need a fleece top when you're on or around the water, and our collection of zip tops were designed to keep you warm and looking your best. The hard-faced recycled polyester knits deliver wind resistance combined with excellent moisture wicking and a soft next-to-skin feel. So whether you're wearing one of these pieces by itself or over a lightweight base layer, once you put it on, you won't want to take it off.

UPDATED

CASTLE ROCK

| FLYING POINT FLEECE 1/2 ZIP TOP | FW219 | XS-XXL

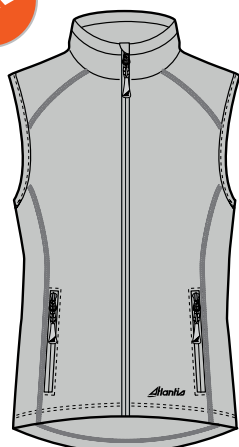

I204509

- Ultra-versatile 1/4-zip pullover — technically-oriented yet soft and fuzzy next to skin

CREW

The sailing world is chock full of shorts and polos. They range from super-techy to cotton Bermudas, but very few do what Atlantis' crew collection is designed to do – deliver outstanding technical performance combined with classic good looks. Technical yarns and innovative construction techniques shed water, dry quickly and move the way you move while features such as a zippered pocket and a multi-tool sheath will make everyone happy from the tactician to the bowman.

NAVY BLUE

| BLUE WATER POLO | FW012 | XS-XXL

I2025055

- Same cut as your favorite cotton polo
- Cocona fabric offers natural technology with activated carbon made from coconut shells
- Outperforms other fabrics
- Provides effective evaporative cooling, odor adsorption and UV protection
- Cocona technology is contained inside the fiber, so unlike topical treatments, it will never wash off or wear out!
- Lightweight, comfortable and retains all of the conventional product features, such as stretch and wash-ability. And, because of a patented technology, this shirt will retain or improve its performance over the life of the garment.

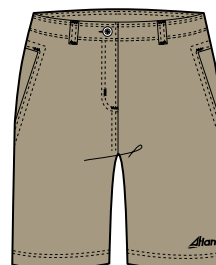

STEEL

| SHIPYARD SHORTS | GW111 | XS-XXL

I2038057

- Nylon 66® fabric is super-light and has a soft cotton-like feel — DWR coating provides water-resistance
- Six-pocket design includes zippered side pocket in addition to standard four
- Internal loop at top of pocket gives you a place to tie lanyards
- Tab & button take-ups on each side allow you to fine-tune the fit
- Straight-leg style with center-of-your-kneecap inseam length

DECK TO DOCK |

The Deck-To-Dock Collection is designed to take you from a day on the water to an evening on the town. This collection of sailing-inspired clothing is designed for those who live their lives on and around the water and is made from only the highest-quality fabrics, chosen for their ability to deliver the ultimate combination of comfort and coastal style.

NEW

GRAPHITE

| 2012 WATCH JACKET | GW611 | XS-XXL

I2065031

- Rugged waterproof/breathable polyester shell with taped seams and a micro fleece lining
- Embroidery zipper for easy access to the inside of the shell
- Three-pocket design with two side pockets and internal chest pocket
- Waist draw cord
- Covered main zipper for a super-clean look
- Reflective piping on triceps and across back of shoulders adds a "techy" look and increased night visibility

FLAG BLUE/PEARL

CHALLENGER JACKET | GW325 | XS-XXL

12140082

- Rugged waterproof/breathable polyester shell with taped seams and Primaloft insulation
- Four-pocket design with two side pockets, external bicep pocket and internal chest pocket
- “Bomber” length with P/U-lined elastic-banded waist
- Easy-access zippered bicep pocket
- Covered main zipper for a super-clean look
- Reflective piping on triceps and across back of shoulders for increased night visibility

ARBOR

FLAG BLUE

NAVIGATOR SWEATER | GW411 | XS-XXL

12085961

- Soft, comfortable quarter zip pullover
- Sharp-looking, technically aesthetic layout
- Chin & neck chafe guard
- Bicep pocket with zipper closure, quick-grab pull tab, w/tonal logo embroidery
- Fleece-lined waist pocket with zipper closure, quick-grab pull tab
- Washable and stain resistant, so it looks great for a long time
- Durable and flexible – doesn't break down the way other fibers do with heavy use
- Excellent insulator that naturally wicks moisture away from the skin
- Naturally water (and Mount Gay) repellent

NOTES

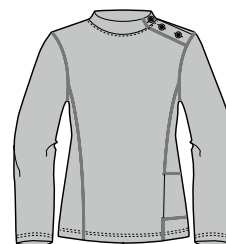

FLAG BLUE

| **BRIMBLES SWEATER** | GW311 | XS-XXL

| 206503 |

- Heathered jersey-knit fleece combines performance characteristics with “smart casual” optics
- Unique Breton-style three-button collar
- Hidden zippered pocket in side seam
